

Plaxtol School Association

May 2026 Update

- During May, we are running a **Wildflower Seed Fundraiser Challenge** for pupils, through the sale of personalised Wildflower Seed packets. Remaining seed packets will be available from the end of May at Plaxtol Village Stores & Post Office, helping to raise further funds for the PSA.
- Each Wildflower Seed packet contains a selection of up to five native British annual wildflower species: Birds Foot Trefoil; Red Campion; Oxeye Daisy; Rosa Canina; and Myosotis. These beautiful wildflowers are recommended by the Royal Horticultural Society (RHS) as being 'Perfect for Pollinators', helping to support bees, butterflies and other pollinating insects across the UK.

- Please come along to our **Summer Fair on Saturday 27 June, 12–3pm!** There will be something for everyone, including live music, a raffle, bar, BBQ and children's games. Everyone is very welcome. It should be a fun afternoon supporting our school community.
- Look out for our **PSA Summer Raffle**, tickets coming soon with some great prizes!
