

2015-2016 proved an excellent year for the PSA. Our three main events - Fireworks night, Christmas Fair and Summer Fair all raised more money than in any previous year so a huge thank you to all the organisers and parent helpers, of which there were many!

It was a big year for the PSA, we held a number of new fundraisers which although a lot of effort, proved not only enjoyable but also profitable. The year started with the well attended Halloween Disco organised by Manishya Montague.

Our sponsored walk event, Ramble, Amble, Hunt saw a great turnout and again raised a healthy sum - thank you to Heidi Hollobon who organised this one with myself.

The Pamper Night was a brilliant event that drew in many people from the community and further afield and also proved highly profitable. I know it was lots of work to put the event on so a big thank you to Julie Doherty and Kate Beynon!

We also saw the whole community come together to celebrate the Queen's 90th birthday in an event collaboration with The Friends of Plaxtol Church. The weather was against us but I think everyone who attended would agree it was an excellent night and so we need to extend a big thank you to Ayesha from our committee as well as Calista, Pam and Kath from the Friends of Plaxtol Church who were the main organisers.

Thank you to Andrew Green who organised the first Dads Beer Night which for very little effort raised £270.

The events raised a total of £12,193.

Swimming pool contributions raised £2,845 to help towards the running of the pool.

We were also very lucky to receive 2 generous donations which totalled £6,875

In total we raised just short of £22,000!
